# Adobe® Connect™ Mobile: Focus on Pods

The screenshot displays the Adobe Connect Mobile interface. On the left is a vertical navigation panel with several icons. The top icon, a target symbol, is highlighted with a yellow box. Below it are icons for a person, a video camera, a speech bubble, and a document. The main content area is titled "New Employee Benefits" and features a slide with the text "Employee New Hire Benefits" and the "MERIDIEN" logo. The slide background shows a city skyline at night. At the bottom of the navigation panel, there is a "Note" section with the text: "This course is one of the three new courses our team is offering. At the end of the session we will ask you to take a quick survey. Please stay for the survey."

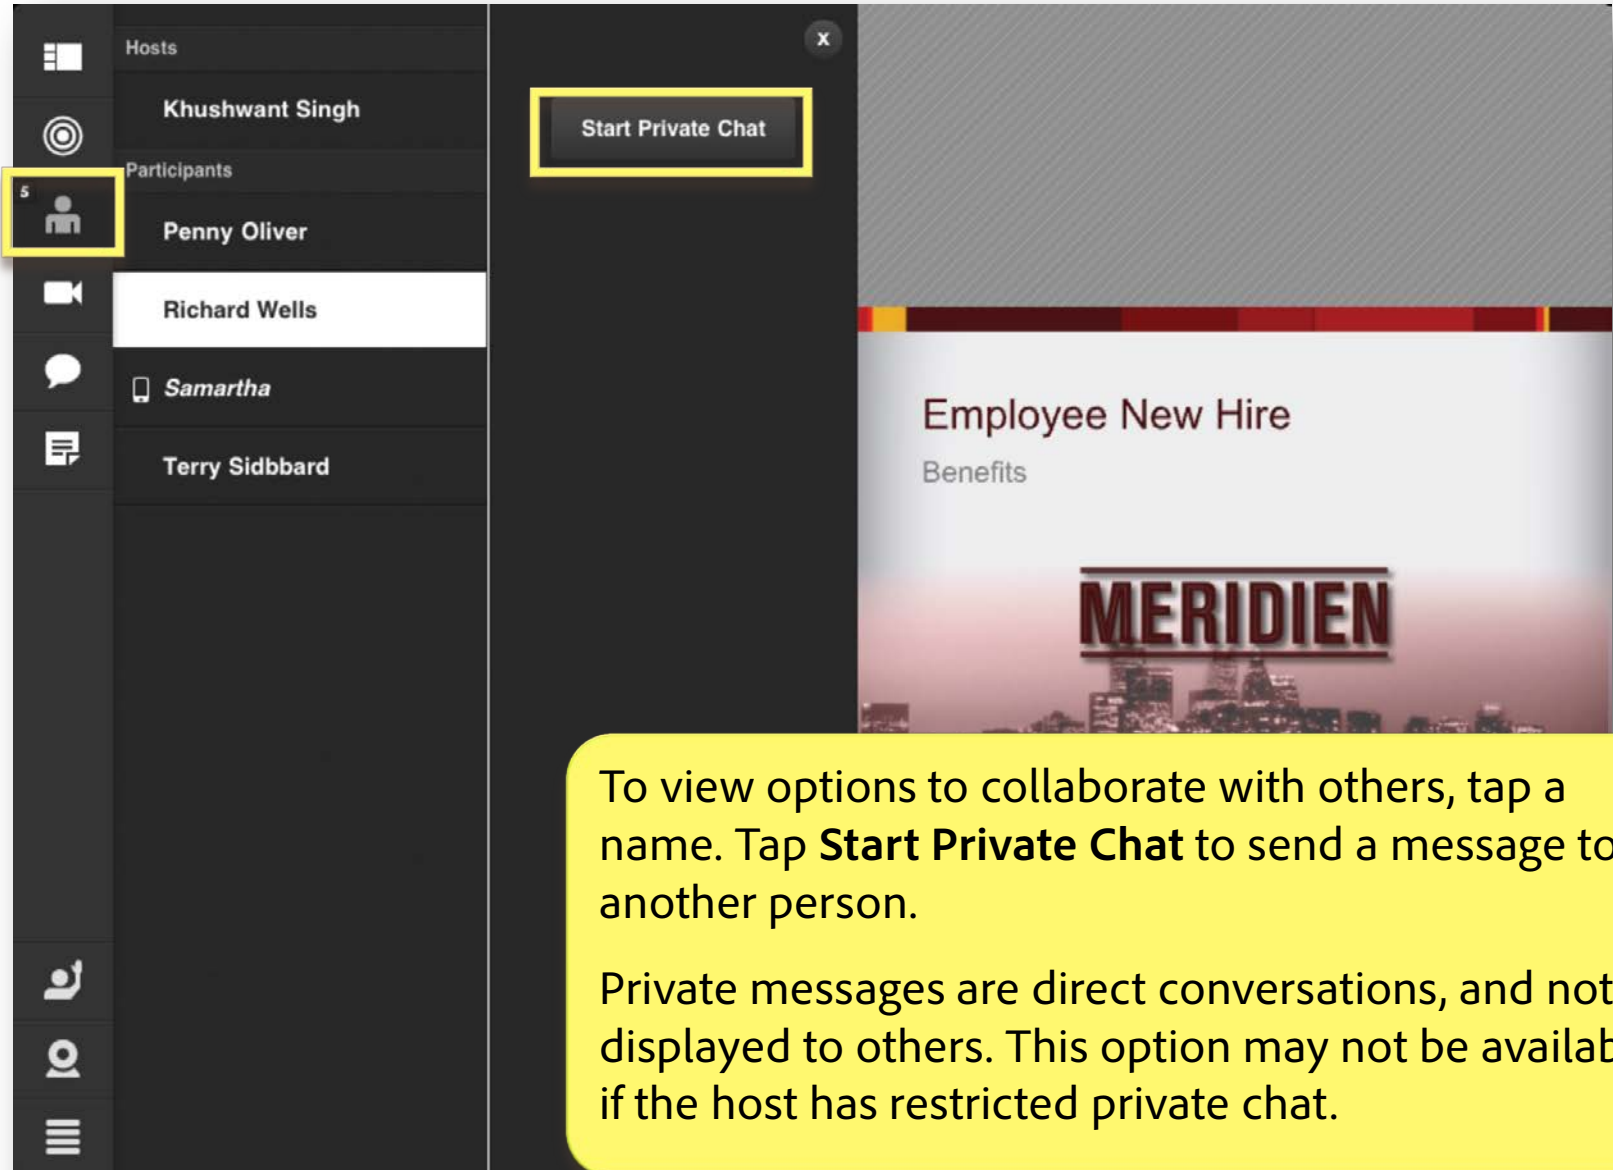

To interact with a pod, tap an icon in the navigation panel or tap the pod.

# Adobe® Connect™ Mobile: Focus on Attendee List

# Adobe® Connect™ Mobile: Focus on Attendee List

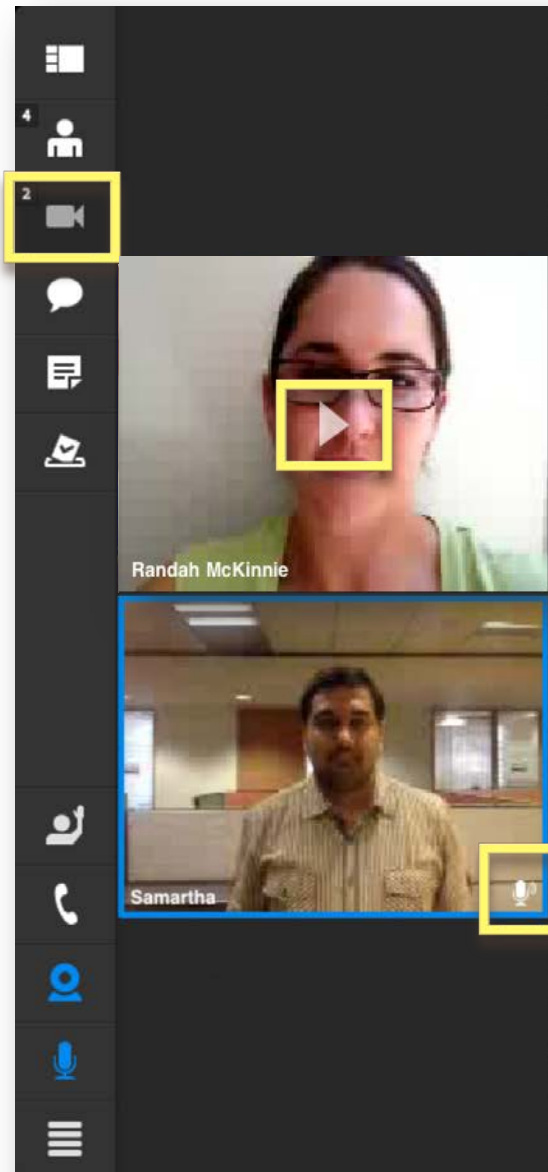

The screenshot displays the Adobe Connect Mobile interface. On the left, a vertical list of participants is shown under the heading 'Participants'. The list includes: Khushwant Singh, Penny Oliver (highlighted with a yellow box), Richard Wells (highlighted with a white box), Samartha, and Terry Sidbbard. A yellow box also highlights the 'Start Private Chat' button in the top right corner of the interface. The main content area shows a presentation slide titled 'Employee New Hire Benefits' with the 'MERIDIEN' logo and a cityscape background.

To view options to collaborate with others, tap a name. Tap **Start Private Chat** to send a message to another person.

Private messages are direct conversations, and not displayed to others. This option may not be available if the host has restricted private chat.

# Adobe® Connect™ Mobile: Focus on Web Camera Video

To see the list of attendees broadcasting their video cameras, tap **Video Pod**.

The video feed highlighted in blue is streaming continuously. All others are paused. Tap the **Play** button on top of any video feed to switch feeds and actively watch another attendee.

Video that appears paused but has no Play button has been paused by the broadcaster and cannot be made active until that user resumes **his/her or the** feed.

The active speaker indicator appears in a video feed windows when the user is broadcasting audio, regardless of whether his camera feed is streaming. Tap to switch video feed views to the active speaker when desired.

# Adobe® Connect™ Mobile: Focus on Chat

The screenshot displays the Adobe Connect mobile app interface. On the left, a vertical navigation bar contains several icons. The 'Chat' icon, which is a speech bubble, is highlighted with a yellow box and has a blue box with the number '2' next to it, indicating unread messages. Below the navigation bar, the 'Attendee List (5)' is visible, listing Khushwant Singh, Penny Oliver, Richard Wells, Samartha, and Terry Sidbbard. The main content area shows a 'Chat' pod with messages from Khushwant Singh and Richard Wells. Below the chat pod is a 'Note' section. At the bottom, there is a text input field with the placeholder text 'chat...'. Two yellow callout boxes provide instructions: one points to the chat icon and the other points to the text input field.
